

The GTL room block has expired and is no longer available. If you haven't booked yet, you have a couple of options:

1. Book all three nights at an alternate hotel- we recommend the Capitol hotel. It is 5 blocks away from the host hotel and runs about \$200 per night right now. Another good choice is the Holiday Inn Downtown Nashville, which is about \$250 per night right now and is only about 3.5 blocks away.
2. Wait and see if we can free up more rooms at the host hotel. If you want to do this, I recommend you book a refundable reservation somewhere else for now just in case we can't free up rooms. If you book somewhere else, but want to try to stay at the host hotel, send me your name, email address and phone number and the number of rooms you are trying to get and I'll see what I can do.
