

## GTL Payment Solutions

Making banking more convenient and secure for your facility and the populations you serve

GTL Payment Solutions provide a comprehensive, turnkey suite of automated services that simplify banking, making it easier for inmates and their families while freeing staff to focus on other responsibilities.

Our complete, worry-free solution provides multiple payment service options, allowing family and friends to choose the most convenient way to meet their needs.

### GTL Payment Solutions remove the burden of financial transactions by:

- Eliminating cash-handling responsibilities
- Reducing in-person contact
- Increasing efficiency and saving money
- Seamlessly integrating with your accounting software
- Handling all aspects of payments and deposits, including installation, cash handling, accounting, remote monitoring, maintenance, and cash pickup
- Reallocating staff to allow for a greater focus on operational duties

GTL handles payment processing for over **2,300** facilities and agencies, including **32** departments of corrections.

### **GTL Payment Solutions are:**

- **Secure** – Payments are 100% guaranteed.
- **Compliant** – All federal and state rules and regulations are met.
- **Efficient** – Payment processing is completely automated.
- **Convenient** – Process is easier for customers and staff.
- **Flexible** – Multitude of options lets customers select what works for them.
- **Complete** – GTL's comprehensive solution includes everything facilities and agencies need, including customer support; marketing services; and remote monitoring, maintenance, and cash pickup services.

GTL provides payment services through its subsidiary, TouchPay Holdings, LLC, which is licensed or authorized to conduct money transmission in all 50 states, as well as the District of Columbia and Puerto Rico, has attained Payment Card Industry Data Security Standard (PCI-DSS) Level 1 compliance, and implements a layered security approach to proactively protect customer information. Every payment is guaranteed, protecting agencies against fraud and liability.

Every year, GTL:

- Conducts almost **36 million** automated payment transactions
- Processes over **\$900 million** in credit card transactions
- Handles over **\$285 million** in cash

GTL works to transform correctional facilities into rehabilitative environments by providing technology that meets facility needs, keeps communities safe, improves the wellness of incarcerated individuals, and fuels successful reentry for returning citizens. Leading the correctional technology field, GTL provides communication, rehabilitation, investigative, intelligence, finance, and reentry solutions.
